Teachers can now download free breakthrough tools for teaching math, coding and robotics with the launch of C-STEM Studio from the Center for Integrated Computing and STEM Education.

AFRICAN DIASPORA STUDENTS

The Center for African Diaspora Student Success, opened on Oct. 26, facilitates tutoring, advising, counseling and other services for African Diaspora students as well as providing a community gathering place.

Distinctions in Brief

21ST CENTURY UNIVERSITY

- Leads the world in **agricultural and environmental sciences** and **veterinary medicine**. UC Davis is one of only four institutions with two programs ranked No. 1 globally. (*QS World University Rankings 2015*)
- Tied for 1st among public research universities producing the most U.S. **Fulbright scholars**.
- Leader in **energy research** with more than 100 faculty engaged in renewable energy, biofuels, efficiency, hydrogen pathways, transportation and lighting technology.
- **12 interdisciplinary** Organized Research Units combine their expertise to study cancer, the environment, healthcare and numerous other cross-disciplinary topics.
- Leading **sustainable** institution with numerous innovative programs and accolades—ranked fourth internationally and first in the U.S. (*GreenMetric World University Ranking 2014*)
- At the forefront of identifying and controlling diseases, our experts in human health, veterinary medicine and agriculture impact critical **One Health** issues like avian flu and West Nile virus.
- **Student Health Services** program ranked first in the nation. (*Princeton Review 2015*)

IMPACTING CALIFORNIA AND THE WORLD

- UC Davis educates **more California undergraduates** than any other UC campus; **one in every 250** Californians is a UC Davis alum. Our alumni earn a mean annual salary of \$93,100—twice the California average.
- In 2014-15, UC Davis brought in a record \$786 million in sponsored **research**, filed 229 records of **invention** and 210 **patent** applications, issued 57 licenses for UC Davis **technology**, and helped to establish **13 startups**.
- UC Davis contributes more than **\$6.9 billion** each year to the California economy. (*Center for Strategic Economic Research 2011*)

- The School of Education has prepared more than **6,000 teachers** for our schools' classrooms, and the Graduate School of Management has prepared nearly **3,500 business leaders**.
- UC Davis offers the only veterinary school in the UC system and the **only public veterinary school** in California.
- The UC Davis Health System serves **33 counties and 6 million residents** and includes the region's only Level 1 trauma center, NCI-designated cancer center, comprehensive children's hospital, transplant services, vascular center, institute for neurodevelopmental disorders, and a world-renowned telemedicine network.
- UC Davis' Veterinary Medical Teaching Hospital cares for **50,000 small and large animals** each year.
- The School of Law offers **community legal support** in immigration, prison law, civil rights litigation and family protection.
- Last year, UC Davis Extension served students in all 50 states and 115 countries via more than **62,000** enrollments.
- UC Davis students, faculty and staff volunteer more than **half a million hours of community service** each year.

A COMPREHENSIVE, AFFORDABLE EDUCATION

- Leader in interdisciplinary study, offering nearly **100 graduate programs** and more than **100 academic majors**.
- More than half of all undergraduate students participate in **hands-on research**.
- Second among top U.S. colleges **doing the most for low-income students** (*New York Times 2015*). Forty-three percent of our undergraduates are Pell Grant recipients, and forty four percent of our students awarded a baccalaureate degree in 2013-14 did not take on student debt.
- Key campus services and events are **run by students**: Unitrans bus system, Coffee House, Picnic Day and more.

- More than 1,350 UC Davis Study Abroad students in more than 40 countries—and on every continent—gain an **international perspective**.
- The Internship and Career Center is one of the largest **academic internship programs** in the country.
- UC Davis is highly ranked among the most **racially and ethnically diverse** large national research universities by *U.S. News & World Report*.

The Numbers

RANKINGS

- **10th** in the ranking of American universities based on contributions to society (*Washington Monthly*)
- **11th** among public universities nationwide (*U.S. News & World Report*)
- **14th** in research funding among U.S. ranked public universities (National Science Foundation)
- One of **15** public four-year colleges with high graduation rates leading to high incomes (*College Scorecard*, U.S. Department of Education)
- **7th** among public universities and 27th among public and private universities (*The Best Colleges' Top 50 Colleges and Universities in America for 2016*)
- Medical Center consistently ranked among the **top 50** hospitals in the U.S. (*U.S. News & World Report*)

Research funding: \$786 million in 2014-15

Private support: \$184 million in 2014-15

Colleges/Schools: Four colleges (Agricultural and Environmental Sciences, Biological Sciences, Engineering, Letters and Science); six professional schools (Education, Law, Management, Medicine, Veterinary Medicine and the Betty Irene Moore School of Nursing).

Student enrollment: 35,415 (fall 2014)

Living alumni: 231,297

Undergraduate majors: 104

Intercollegiate sports: 23 (14 women's, 9 men's)

Campus area: 5,300 acres
